RE: Case #22-10964 Celsius Network LLC

To the Honorable Martin Glen:

I am humbly writing to request that my funds be reimbursed to me as soon as possible after making numerous deposits into Celsius, having believed it to be a safe place. As of this writing, July 25, 2022, the value of my funds is at \$9,913 based on the current value of bitcoin of 0.404714 BTC, USD: 996.461678 USDC, and Ethereum at 0.042272 ETH).

I know others have written long letters about their troubles; I echo many of their sentiments. Please rule in favor of returning all funds to investors like me.

Thank you.
